

Gallopedia

From Gilani Research Foundation June 2010, issue # 121*

Compiled on a weekly basis since January 2007

Gilani's Gallopedia is a weekly Digest of Opinions in a globalized world - one window on global opinion polling compiled by Gilani Research Foundation

Who are we?

Gilani's Gallopedia is a weekly digest of opinions in a globalized world. It provides a one window access to Global Opinion Polls on a weekly basis. It is produced by a team of researchers led by Dr. Ijaz Shafi Gilani, and is a not for profit public service. It is co-edited by Mohammad Zubair and Rushna Shahid.

Gilani's Gallopedia is in a way the 'wikipedia' for global polling. We plan to make it an interactive platform where you are both *reader* and *contributor*. ❖

GLOBAL/MULTI-COUNTRY POLLS

Arab Opinion on U.S. Leadership Reverses Downwards in 2010 [\(Click for Details\)](#)

Taking back some of the gains U.S. leadership enjoyed in 2009, four out of six Arab League countries Gallup has surveyed each year since 2008 are now less approving of U.S. leadership than they were in fall 2009. Egyptians' approval ratings have declined the most since last fall (18 % points), followed by Algerians' (13 points). Approval did not decline significantly in Iraq or the Palestinian Territories as the changes are within the margin of error.

COUNTRY of the week- Russia

► This page is devoted to opinions of countries whose polling activity is generally not known very widely or where a recent topical issue requires special attention .

Commentary: Russia's current Political landscape

¹Most people in Russia would support the governing party in the next election to the State Duma, according to a poll by the **All-Russian Public Opinion Research Center**. **54 %** of respondents would vote for United Russia (YR) in the next ballot, up two points since April.

The Communist Party (KPRF) is a distant second with **8 %**, followed by the Liberal Democratic Party (LDPR) with **5 %**, and the opposition movement A Just Russia with **4 %**.

Earlier this month, Putin rejected accusations that Medvedev is a puppet president who is easily manipulated by him, saying, "Our actions are guided exclusively in the interests of our country and the Russian people. We divide up our competencies in accordance with the constitution and Russian legislation."

The next presidential election is scheduled for March 2012. Both Putin and Medvedev are eligible to run as candidates.

² Meanwhile according to another poll by the **Yury Levada Analytical Center** almost half of Russians would vote for current Prime Minister Vladimir Putin or current head of state Dmitry Medvedev in the next presidential election. **27 %** of respondents would support Putin in the next election, while **20 %** would re-elect Medvedev.

Communist Party (KPRF) leader Gennady Zyuganov is far behind with **5 %**, followed by Liberal Democratic Party (LDPR) leader Vladimir Zhirinovskiy with **4 %**, and Russian Federation Council speaker Sergei Mironov of A Just Russia with **1 %**. **43 %** of respondents are undecided.
